

28 Day Notice to vacate the Department for Communities and Local Government

For the attention of Mr. Eric Pickles

This notice is to inform you that you have been found in breach of your contractual duties towards Traveller and Romani Gypsy communities, and that you must therefore vacate the premises forthwith. With reference to section 178 of the Town and Country Planning Act you have been found to have no plan, to have engaged in persistent racially aggravated persecution, and as such to have caused harassment, alarm, and distress amounting to anti-social behaviour and gross misconduct.

You have 28 days to comply with this notice. Failure to comply will result in an eviction operation, which will commence no later than October 19th, during which time access to the building will be restricted. We wish to remind you that we have conducted an equality impact assessment and balanced the needs of Eric Pickles' political career against the rights of Travelling communities to a home.

This is your notice. Failure to comply will result in direct action.
